## THE TOWNHOUSE

Hello Sutton and beyond, we are sorry it has been so long since we last spoke – we hope all of you are well and have found ways to adapt to a new normal - a life of Zoom meetings and Netflix overload?

You know us, we would love to be telling you we will be open soon but as it stands, we do not have any dates to work towards as we are awaiting government advise.

But we did want to stop and take a moment to say a massive thank you to all our NHS / Key Worker friends out there working hard during these unprecedented times.

And of course, a Happy 100<sup>th</sup> Birthday to Captain Tom!

We will raise a glass (or three) to you all as soon as we can – The Yard is calling out for a party!

To keep investing in our wonderful team a range of industry-specific courses has been made available to them during their furloughed time, we cannot wait to have them back in action serving you all & dishing out the banter!

Please rest assured we want to be serving bottomless brunch and getting The Club Room rocking for you, but we'll only be open once full government policies have been made, the health and safety of our team and our guests are our number one priority.

It is fair to say the support shown to us has been beyond amazing and the solidarity, charity and love we have seen in our community have been one to be proud of – nice work Sutton!

We hope to have some news soon to share with you, but for now

stay safe, take care and we will see you soon.

With love from us all at The Townhouse xx
